WILLIAM C. FINCH  
PRESIDENT

May 3, 1956

On the wide lawned campus here at Southwestern is enacted a drama of youth: of carefree hours spent among friends, of fruitful hours spent in satisfying study, of heartaches, of joys. Here is a pattern for living.

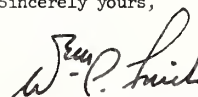

When one recalls Southwestern he remembers many things—things which touch the heartstrings and bring forth the reminiscent music of happy moments plucked from cadenzas of serious thought, bouyant friendships, poignant griefs, ever-widening horizons, peace, and restful security. Southwestern is more than all of these, more than the buildings, more than the people—it is a tradition, and an ideal.

My dear Fellow Students:

Recorded in the SOU'WESTER of 1956 are the campus scenes, personalities, and events depicting the highlights of the year. Here is a record of student and faculty experiences that will become increasingly significant to you as the years pass. As you turn through these pages, they will recall the many happy and pleasant experiences you enjoyed as a student at Southwestern.

Your faculty and I join with the SOU'WESTER staff in expressing the hope that this year's annual will be a reminder of the dreams, hopes, and aspirations during a vital time in your life. We join in expressing the hope for those who are graduating that life may be rich and abundant, and for those yet to graduate that you may have other years of great satisfaction on the campus here at Southwestern.

Sincerely yours,

WCF.mb

William C. Finch

THE KAPPA SIGMA  
FRATERNITY

IOTA CHAPTER  
KAPPA SIGMA BOX  
S. U. STATION  
GEORGETOWN, TEXAS

May 21, 1956

Dear Faculty and Students:

A young person's life lies ahead of him. For this reason perhaps we are less interested in what has been done than what can be done; our affections are aroused less by the traditional than by the experimental. When old Father Time has spread his mantle over our college days and has donned new garments, we hope that this 1956 Sou'Wester will always serve as a reflector of the good by-gone days.

Getting out an annual is no picnic!! If we print jokes, folks say we are silly--if we don't, they say we are too serious. If we publish original matter, they say we lack variety--if we don't, they say we are too lazy to write. If we stay in the annual office, we ought to be out rustling news, if we are out rustling news, we are not attending to business in the office. The earnest wish of my staff is that we have made few mistakes and that you take as much delight in the 1956 Sou'Wester as we have had in bringing it to you. We hope that the theme of the annual, the Chapel windows, will serve as an inspiration for you, both today and the days to come.

Sincerely yours,

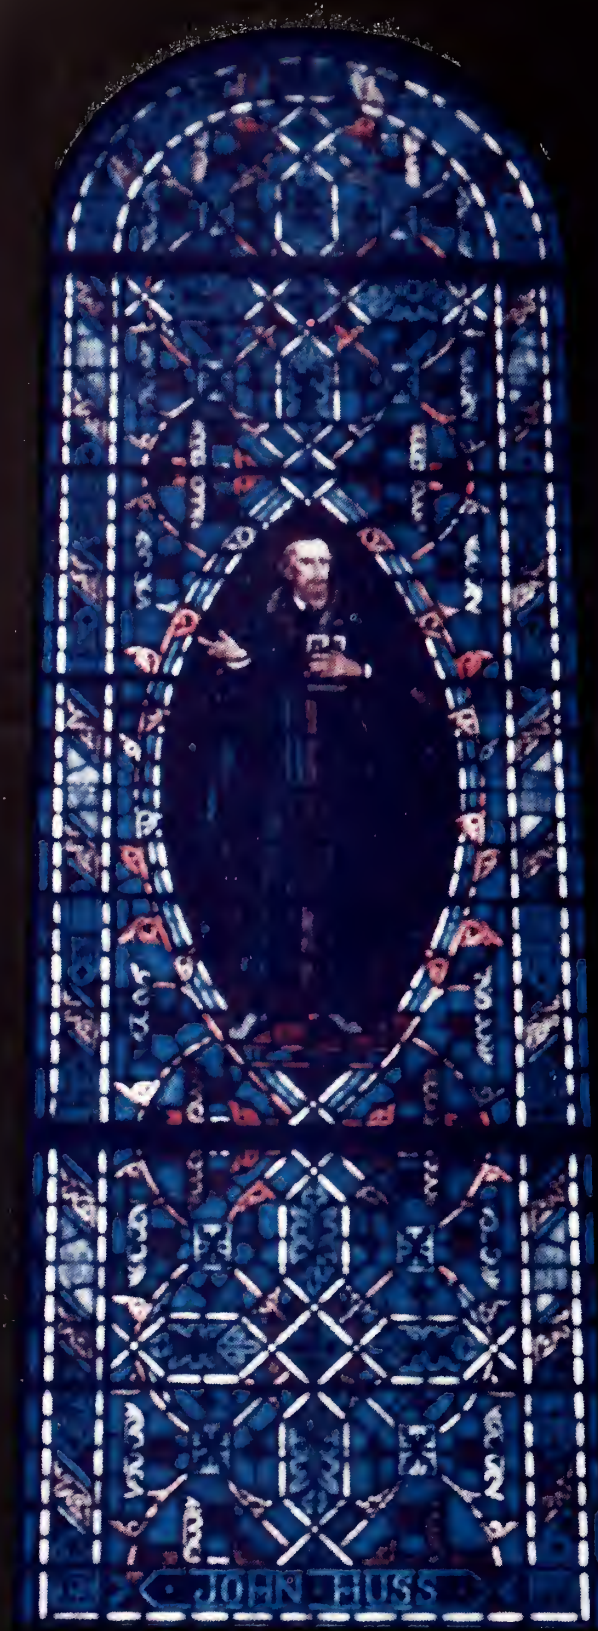

Julian K. Lyles

If only the shady walks might tell the secrets which their sympathetic ears have heard; if only the buildings might share the whispered dreams, and the confidence which comes with knowledge. The years will never erase these memories, for they are as indelible as time. As the moonlight comes over the Ad Building, etching in gentle relief the stone towers and ivy covered walls that have seen generation after generation pass by in search of a future. On this our campus is built an institution; on this campus is built a hope—to give each student, outside the realm of degrees and teachers' certificates, an intangible guidepost for the future.

# A Look At Campus Life

*"Then said Jesus unto them, when ye have lifted up the son of man, then shall you know that I am He, and that I do nothing of myself: but as my Father hath taught me, I speak these things. Verily, Verily, I say unto you, if a man keep my saying, he shall never see death."*

*John 8:28*

*"The servant of the Lord must not strive; but be gentle unto all men  
and apt to teach patience. In meekness instructing those that oppose  
themselves."*

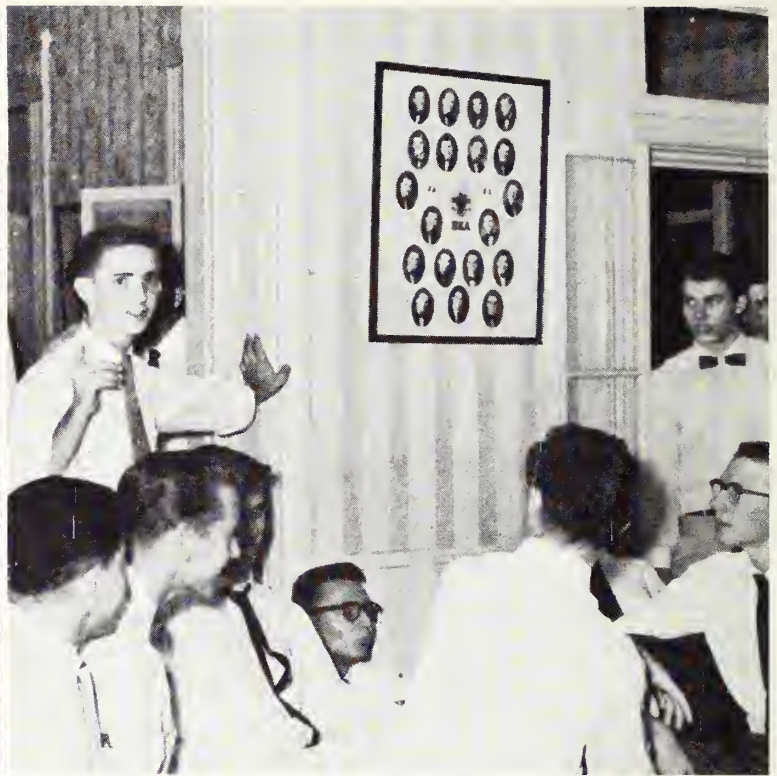

*Timothy 2:24-25*

**REGISTRATION:** Mrs. Rader takes time out from her many chores to register Bill Williams for the spring term. Registration is considered a headache for the faculty as well as the student, but is a necessary evil. The average registration averages about 500 students each semester.

**STUDY TIME:** Van Valentine and Don Langston take time out to study for an English test. Most students average three hours a day study time, some more, others much less. It looks as if both Don and Van will be future members of Blue Key or Alpha Chi.

**RUSH WEEK:** Rush week is the same year in and year out, but is conducted under a different set of rules nearly every year. There is the traditional stale cookies, the big smile, the hot box, the pressure routine, the dirty rushing and the broken hearts that go with every rush week; but if it were not for Rush Week there would be no Greeks.

**INTRAMURALS:** Pi Kappa Alpha's Sam Sullivan passes for a TD against the Phi Delta Theta Fraternity, but it was all in vain. The Intramural program is one of the best in the state and needs but a few minor improvements. Coach Billy Huffman, as Intramural Director, has made, tennis, swimming, golf, and volleyball all a part of the Intramural program for the first time this year.

**BULL SESSIONS:** Jim Morse seems to be telling some of the boys in Ruter Dorm a good joke or about his girl friend back home. It is amazing what all a person can learn outside of the class room. A good bull session is both interesting and a part of campus life that is long remembered.

**PRAYER:** Freddy Trevino is one of the many that take time out for a moment of prayer. Most students away from home for the first time soon find out that there is a solution for any problem, and it can be found through prayer.

**TAVERN LIFE:** The tavern is the "hang out" for the students and the professors. Here "Skinny" Howard is checking up on Tena Wood's letter from home, while Hugh Bateman looks on in typical bewilderment. Also, students can pick up mail, buy school supplies, grab a quick snack, and tell the professors their sad sad stories.

**MEETING THE FACULTY:** Social life begins at Southwestern each year with the student-faculty reception, where everyone learns a lot of new names, and usually forgets them the next day. But it doesn't take long before you know most everyone in school well enough to call them by their first names. Southwestern is noted for its sincere friendly attitude that the students share for one another.

*"For God is not unrighteous to forget your work and labour of love, which we have shewed toward his name, in that ye have ministered to the saints, and do minister."*

*Hebrews 6:10*

*"But these are written, that ye might believe that Jesus is Christ, the Son of God; and that believing ye might have everlasting life through his name."*

*John 20:31*

**CLASSROOM:** One of the advantages of a small school is the amount of individual attention received; here is a history class under Dr. Hester that has but twenty students. Dr. Hester is one of the outstanding men of government in the Southwest and has been an advisor to several Governors and to President Franklin Roosevelt.

**CAMPUS SOCIAL:** Campus life would not be complete without the socials that are a vital factor in bringing about the friendly atmosphere that prevails among the students. Mrs. Chambers helps herself to some tea at the International Club open house.

**ASSEMBLY:** Dean Ullrich makes an announcement before an assembly program. The assembly programs range from speakers to plays and music to many other things. Assembly also serves as a good time to sleep, study, or work cross-word puzzles. Assembly programs are a part of campus life and are essential, if one doesn't want demerits.

**GOODNIGHT AT L.K.:** Sammie Weaver and Bettie Hamby say goodnight as Curtis Hogwood and Mary Louise Key recite Shakespeare. The goodnight kiss is not only a typical scene in front of LK, but is one of the more enjoyable parts of campus life that is found from low-water bridge to the park.

**TAVERN:** The students feel that "Skinny's Tavern" is the place to get together with good friends, play the latest bop records, and guzzle Evelyn's coffee. Before election time there are innumerable posters that tell you who to vote for; they are usually placed on the bulletin board along side Skinny's funny? jokes.

**CHAPEL:** Here students hurry to lunch after another chapel service. Each week the ministerial students, visiting pastors, and Dr. Steelman conduct the service and do their best to bring the light to wayward students.

**VACATION TIME:** Nancy Carter, Beth Harris, and Patsy Ginn get ready to head for Houston and home to spend the Christmas vacation. Vacation time is the happiest time of the school year, (except, of course, when finals are in process.)

**GRADUATION:** This is the time of year that each senior looks forward to with great anticipation and joy to only find it an occasion of sadness. Only then does one realize how fast four years have passed and how much Southwestern actually means. One realizes the many friends one has made during this brief college encounter that one may never see again as they go home to the many different farms, towns, states, and countries. A long journey is at last ended!

# Administration

*"Wherefore the law was our schoolmaster to bring us to Christ, that we might be justified by faith. But after that faith is come, we are no longer a schoolmaster."*

*Galatians 3:24-25*

*"Wisdom is the principal thing; therefore get wisdom: and with all thy getting get understanding."*

*Proverbs 4:7*

MARCH 16-18. 1956

The seventh annual WEEK-END AT COLLEGE was held on the campus March 16, 17, and 18. Pictured above are scenes of the various activities that took place during the week-end. Included in the large variety of activities were "On Borrowed Time" by Paul Osborn, produced by the Mask & Wig Players in the new Alma Thomas Theatre; open house by various organizations, an art exhibit, lecture programs, an All School Dance, and an evening serenade by the Kappa Sigma Fraternity.

## Week-End at College

April 14, 1956

The 1956 Homecoming was the largest and most successful in Southwestern's History. Miss Mary Elizabeth Fox did a fine job and deserves a special tribute for her work on the homecoming. There were over 1100 Southwestern Alumni to return for the Alma Thomas Fine Arts Building dedication, open house, bar-b-que dinner, and get together of old friends.

## Homecoming 1956

The Kappa Sigma Fraternity and the Delta Zeta Sorority sang the beautiful old favorite, "First Noel."

## Christmas

Joe Hegar  
Narrator

The Christmas Carol Service is one of the most beautiful of the traditions carried on by the students of Southwestern. The singing of carols at Christmas time draws people together in a true spirit of Christian fellowship. The Delta Delta Delta Sorority served as the Candelighters.

The Phi Delta Theta Fraternity and the Zeta Tau Alpha Sorority blend voices in singing, "Silent Night."

## Carol Service

The many visitors that come to hear the singing of the traditional carols are a testimony of appreciation of the hard work offered by the social groups and the outstanding direction by Mrs. Ruth Ferguson. Below are the ushers: Bill Glaze, Claude McLelland, Ben Head, Don Willis, Frank Eddins, Bob Johnson, Robbie Sledge, and John Vardiman.

Mask and Wig is an organization of students interested in drama and is open for membership at the beginning of each semester. Students become Associate members upon paying dues and later become Active members after obtaining 10 points through active service. The aim of the organization is to create interest in drama, provide a practical study of drama, and to present several top plays each semester.

## Mask & Wig

*Front Row:* Jane Griffis, Tena Wood, Mae Nell Cardwell, Perk Hoke, Beverly Thompson, Evelyn Biegert. *Second Row:* Jane Harris, Bobbie Jo Graves, Elizabeth Atkins, Viva Jo Cloud, Patsy Scrimshire, Margie Scott, Suzanne Runyan, Virginia Reifschneider, Ruth Schmidt, Darlene Breese, Lois Billbrough, Ann Melugin. *Third Row:* Pat Bogan, Mary Frances Burleson, Barbara Jones, Patsy Ginn, Minnette London, Birdie Rogers, Jeannine Winn, Rosemary Holzaphel, Vera Belle Flowers, and Winnie Glee Card.

This is quite an exclusive organization; for to be a member, one must first be a woman (this is designed to keep men out). Secondly, once the sex is established, the aspirant must be a Methodist, - or attend a Methodist Church while in Southwestern. The purpose of the organization is to provide religious training, form a closer association among Methodist women and to make more efficient women of the Church of tomorrow.

### THE CHAPEL AT NIGHT

The day has a thousand voices, the night but one; that voice is of peace and is symbolic of the Chapel at night, as it speaks to the portals of the darkness and sings to the stars.

### A CAPPELLA CHOIR

When the morning stars sang together, and all the sons of God shouted for joy, music became the universal language of all mankind and is well said to be the speech of angels.

### DR. CLAUD HOWARD

A just tribute goes to a man that has been one of the pillars of educational strength at Southwestern for thirty-seven years. Dr. Howard has been known for many years as one of the outstanding intellectuals and professors of English throughout the nation. There are few people that have played such a large part in the lives of so many, as Dr. Howard has done.

### MADONNA AND CHILD

The Madonna and Child becomes a living mould of marble, as the sculpture is chiselled with a delicate touch into a strange proportion of excellent beauty.

### LANDMARK OF EDUCATION

From within these towers there is obtained a certain amount of education, and from the outside is obtained a certain amount of inspiration; and between the two comes a deep admiration for tradition, a tradition that has made the oldest university in the state, the most revered.

# Pi Epsilon Delta

Carl Taylor, Jimmy Baines, Mary Ann Springer, Joe Hegar, and Mr. Springer.

Voting members are elected by each class and the student senate. Other members, without vote, are elected by each social organization. Jerry Fuchs, Vice President of the Student Body, serves as Chairman. The Honor Council acts as co-ordinator and mediator in helping students stay honest. The Honor system is based on the principal that a student will not violate the trust given him, when placed on his honor.

Minus long robes and powdered wigs, these campus judges strive to impress upon the students the importance of doing their own work. The responsibility for continued existence of this Honor System rests, not only with the Honor Council, but with the integrity of each of the students.

TUESDAY: Sigs tell rushees that Phis are bums, Phis tell rushees that Sigs don't have a house.

WEDNESDAY: KA's tell rushees Pikes are in debt; Pikes tell rushees that it was the KA's that caused the rule that all faculty women under the age of discretion must retire by 8:00.

THURSDAY: Pikes lose 10 pledges when information leaks that Sam Sullivan is a member; Sigs lose 10 pledges because of their failure to disinfect Brother Ross. KA's lose 10 pledges when, yah when?

FRIDAY: Berglund tells rushee he a Phi; Phis tell rushees that Berglund is a Pike; Neas tells rushee she is a Sig; KA's get bids mixed up and send out bids to Ku Klux Klan.

SATURDAY: Rushees all go Independent.

## PI KAPPA ALPHA

*Motto:* "S.O.S.-P.D.Q.-A.I.D.-Pi.K.A."

*Flower:* Faded Pickled Pink Poppys

It is rumored that there is a fraternity by this name but we aren't sure, because none of the members admit belonging to it. They do, however, possess good qualities, provided of course that one permits flexibility of the truth. The Pikes are still celebrating the winning of the 1904 Intramural Tennis Championship, but they have every right . . . they were undefeated. The KA's told rushees that Marilyn Monroe's brother was a KA, but they had nothing on the Pikes because Marilyn was a Pi KA!

## KAPPA SIGMA

*Motto:* "Hail to the Swigs, never let us die."

*Flower:* Onion Heads and Morning Glories

Founded in a Sausage Factory by A. Weinie in 1400 in Bologna, Italy, and first called Kraut and Sinners. This is the frat that claims to be the wealthiest of all fraternities but have been so far in debt that they still use kerosene lamps. The Sigs have all types from athletes like Manning to music majors like Robe and scholars like Tanner to nit-wits like Thornton. The Sigs talk about their Brotherhood and how they stick together, the honest fact is that no one else will have anything to do with them. The Sigs came from last to first in scholarship three semesters ago, but the reason for this is that they have the key to the Ad. Building.

## PHI DELTA THETA

*Motto:* "Dear Sigs, may we have back our bell."

*Flower:* Funeral wreath of black daisies

The Phis have 200 members but the only requirement to join this organization is to be enrolled in a university, any university. This quite excellent High School Club has had a rapid rise to the tip top in a political way because they have some brothers that could sell milk to Frenchmen. The Phis have the most members in Blue Key, Alpha Chi, Glamazons, and Southwestern's Hall of Shame. Sports Captain Howie Watkins predicted a banner year and said that the Phis should win Intramural Panty Raid!

## KAPPA ALPHA

*Motto:* "Hide the keg, here comes Gordon Roe."

*Flower:* Pansies

These boys are truly the aristocrats of the old south. Rastus Emancipation Lincoln Roosevelt has done a fine job as President, Vice President and Secretary. They are big buddies of the Phis and plans are being made to unite the two so at least one of them can accomplish something. The Gents almost collapsed when Larry Kor.s left for Houston (he is their only member). Someone let Mr. and Mrs. in on the fact that BBA was not a seven year course. Plans are being made for the annual retreat when the brothers spend much time on heart felt meditation and singing their Alma Mata, "Damn Yankees."

## ARBS

*Motto:* "The Bolsheviks shall save the world"

*Flower:* Green Mongolian Weeds

They are those that fight fraternities but would join if given a bid. Their pastime is turning people in and sending missionaries to Alcatraz. They have been kept pretty busy this past year keeping Justice and Wurzbach from turning in their secret service FBI badge badges and joining the Greeks. But luckily one of their general flunkies by the name of I. J. Rockafella promised them the chapel if they wouldn't, so they didn't.

*All of the above is untrue and is merely a weak attempt at humor.*

President B. A. Justice has done an outstanding job in coordinating and building the Independent Association into a powerful, beneficial, and smooth running organization.

**Dawnia Cox**

**Miss Southwestern**

The presentation of Miss Dawnia Cox as Miss Southwestern broke all the traditional ceremony that had been seen for nearly forty years. The Royal Robe and Royal Crown were replaced with a program of modern dancing, jazz music, narrations, A Cappella Choir, and giving a list of each of the nominees accomplishments. The program was presented in the new Alma Thomas Fine Arts Building and was both different and beautiful. Dean Smith, Mr. Carl Berquist, Mr. Angus Springer, Mrs. Ester Weir, and Mr. James Valone were responsible for the program. A secret faculty committee selects five seniors that they feel are most worthy of the honor of Miss Southwestern; the student body then votes for their choice. Dawnia Cox deserves the fine program given in her honor, the high tribute given her by the student body, and the high honor of Miss Southwestern.

## Nominees for Miss Southwestern

MISS MARY ANN SPRINGER

The highest honor that can be given to a girl at Southwestern is to be nominated for Miss Southwestern. A secret committee selects five girls from the senior class on qualities of leadership, scholarship, and dignity, to be voted upon for Miss Southwestern by the student body.

**All School Beauty**

2nd PLACE

The 1955-56 Beauty Review was the most beautiful in the history of Southwestern as well as the most entertaining. Sou'Wester editor Julian Lyles introduced Cactus Pryor, Master of Ceremonies, and presented roses to Mrs. Ruth Ferguson, to whom the Beauty Review was dedicated.

Mr. Pryor, nationally known entertainer, was at his best with his quick wit and clever introductions of the beauty nominees. Miss Bertha Marie Johnson of the Independent Association and Miss Patty Whigham of the Delta Delta Delta sorority were chosen as the two most beautiful by a group of five judges from Austin. The theme of the program was that of a Paris Beauty Salon'. Rhea Louise Gracey, 1954 All School Beauty, was the central figure in which the program was built around. The Phi Mu Sextet, Independent Trio, Miss Ann Colton Greer, Miss Carol Rogers, Miss Barbara Beadle, and Miss Louise Blackburn provided entertainment between the entrance of each group of organizational beauties. After the Beauty Review a dance was held in the gym in honor of the winners; music was provided by the band of Kenny Harris.

\* Conference Games

The Pirates won 15 and lost 8 for the 1955-56 season. Led by All Conference Joe San Miguel the Pirates won eight of their first nine games then coasted to a third place in the Big State Conference race. The Pirates won ten games on their home court and lost but two, but were unable to score with any real consistence on the road. John Sessums, Bob Mulcahy and Cecil Ghormley added a small measure of height to the speed of Jackie Churchill and Sammy Weaver; this balance with the fine reserve play of Charlie Chance and the scoring of San Miguel proved to be a winning combination most of the season.

BARNEY STANLEY - 6'1 - Fr. G. This demon under the backboards is from Georgetown and will be a great help to the Pirates in the next three years.

JOHN "RED" SESSUMS - 6' - Jr. F. Red is aggressive and is a fine defensive player. Scored over thirty points in three games this year. Sessums calls Cleburne, his home.

CHARLES RAMSAY - 6'2 - So. C. Fast breaking forward from San Marcos. A member of Kappa Sigma Fraternity and is one of the main reserves.

CHARLIE CHANCE - 5'11 - Fr. G. Charlie is from Georgetown and is the most promising freshman in several years. Fast and has a very keen eye. Should be All Conference in a few years.

JOE SAN MIGUEL - 5'11 - Sr. G. Joe has been All Conference for two years in both basketball and baseball. Has a fifteen point average despite having missed a conference game because of injuries. A member of the Kappa Sigma Fraternity and Vice President of "S" Association. Hails from Temple.

**JACKIE CHURCHILL** - 5'10 - Jr. G  
Jackie has determination and guts. Hustle is not all he offers but is good for ten to fifteen points each game. Jackie has been a regular for two seasons in basketball and baseball, and is the sparkplug in both.

**CECIL GHORMLEY** - 6'3 - Jr. C. Cecil is a transfer from STJC and has been a tremendous help both offensively and defensively. Cecil has served the team as Captain in several games and is a crowd pleaser. Cecil is from Golden Acres and is a member of Kappa Sigma.

**JERRY INGRAM** - 6'2 - So. F. Jerry is a squadman from Waco. If it takes determination to be a good ball player, Jerry will be a fine player by the time he is a senior.

**SAMMIE WEAVER** - 5'6 - So. G. Little Sammie is the ball hawk of the team and specializes in dribbling the ball. Sammie holds down second base in baseball and despite his size is an all round athlete. A member of the Kappa Sigma Fraternity and is from Corpus Christi.

**DALE LUSK** - 6'1 - Fr. C. Dale is a freshman from San Antonio and seems to be an up and coming ballplayer. Has a good jump shot.

**JERRY FEWELL** - 5'11 - Fr. G. A ministerial student and the only married man on the team. A good shot and play maker. Specializes on a fall away jump shot. Calls Dallas home.

**BOB MULCAHY** - 6'2 - Jr. F. Bob is one of the best shots on the team and is a deceptive ball player both offensively and defensively. Had a twelve point game average. Member of Kappa Sigma Fraternity from Teague.

**BOB ROBE** - 5'7 - Jr. G. A transfer student from Del Mar Jr. College. Good floor man and should play a lot next year. A member of Kappa Sigma Fraternity and is from Corpus Christi.

**HOWARD SCHAUMBURG** - 6'5 - Jr. Mgr. "Howdy" is the tallest player on the team and serves the boys as manager. Gives moral to the team with his dry wit and hearty spirit. He is the eighth member of Kappa Sigma on the team.

**DICK OLIVER** - 5'11 - Fr. G. Played high school ball at Paschal in Ft. Worth. Lacks experience but will improve with time. Dick is very aggressive on defense. Is a member of the Kappa Sigma Fraternity.

## SPORTSMANSHIP

DETERMINATION

SINCERITY

COACH R. M. MEDLEY

For nearly twenty years Randolph Medley has been Head Coach and Athletic Director at Southwestern. There have been good seasons and bad seasons but every season has been one of Sportsmanship, Determination, and Sincerity; each enveloped with a Loyalty to build men and win games. Southwestern is blessed with outstanding teachers like Dr. Howard, Dr. Gaupp, Dr. Hester, Dr. Godbey but along with these and the other fine teachers, there is a well loved coach who teaches an outstanding way to win in the old game of life.

Cecil Ghormley looks as if he is singing the Alma Mata, but he is actually jumping for the rebound from a shot by Jackie Churchill. ....

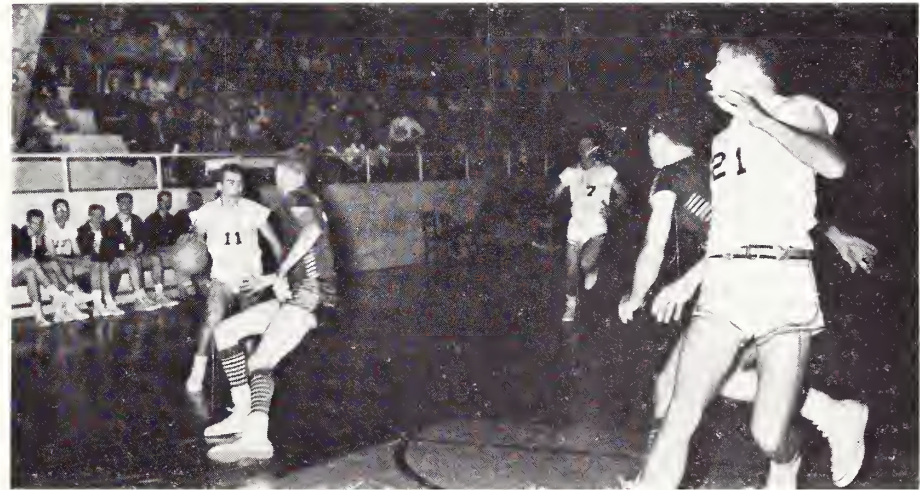

The faithful! The fans from SU are not fickle, but remain loyal to the Pirates, win or lose.

The cheerleaders give pep and spirit to the fans as well as to the team. One of the reasons for the Pirates success this year has been because of this particular groups enthusiasm.

Patty cake, bakers man; Mulcahy takes Ghormleys shot, as it falls short, and scores. San Miguel looks on in anticipation.

Fast break, San Miguel gets set to pass to Chance, who scored on a layup. The Pirates used the fast break to great advantage throughout the season to make up for a lack of height.

Mr. M. L. Williams was given a surprise party by the faculty on his eightieth birthday. Mr. Williams was given one of the first typewriters that was ever made and a birthday cake that was, as Mr. Williams said, "Out of this world." The faculty sang Happy Birthday as Mr. Williams cut the cake; Mr. Springer looks on in anticipation of the first slice. There are few students in Southwestern that have the youthful energy, optimism, and vitality that Mr. Williams has; and there are few people anywhere that have as many friends.

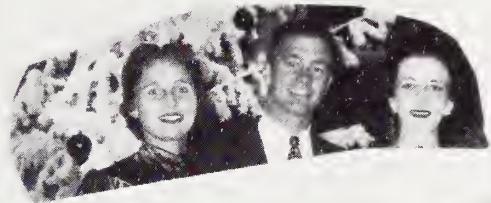

Music and prayer are a vital part of the Chapel services and have played a part in the lives of every student that has ever attended Southwestern. Dr. Steelman, as Chaplain of the University, has taught us that when one prays, he should pray as if everything depended on God, and to work as if everything depended on man. Dean Richards has taught us to appreciate and to realize the full measure of enjoyment that we receive from good music.

Mr. WHITMORE: If there are 48 states in the Union, and superheated steam equals the distance from Bombay to Paris, what is my age?

Mr. WHITMORE: That's correct, how did you figure it out?

RODDEN: Well, I have a brother that's 20 and he is only half nuts!

MEN ARE FOUR  
HE who knows not and  
knows not he knows not,  
he is a fool —  
shun him;

HE who knows not and  
knows he knows not,  
he is simple — teach  
him;

HE who knows and  
knows not he knows,  
he is asleep — wake  
him;

HE who knows and  
knows he knows, he  
is wise and a leader  
— follow him.
